

Memorandum

To: Village President and Board of Trustees

Through: Carl Goldsmith, Director of Public Works *CG*

From: Tom Ellis, Operations Superintendent *TE*

Date: October 11, 2022

Subject: Fire Station #44 Overhead Door Replacement.

Staff has identified deterioration concerns with steel overhead doors at Fire Station #44. An inspection has revealed corrosion (rust) of the door panels. The ribbed panels that make up the structural components of the door system have areas of corrosion that have developed into holes in the panels. These doors are used frequently and have required additional maintenance to keep them operational.

Staff has solicited three quotes from local commercial door contractors for the removal and replacement of three (3) new overhead doors. The results are below:

Allied Door Inc. Lombard, IL	\$44,646.08
House of Doors, Brookfield, IL	\$45,909.00
United Door & Lock, Glendale Heights, IL	\$51,411.38

Staff is recommending the approval of the proposal from Allied Door Inc. Lombard, IL for the purchase of three (3) overhead commercial doors and hardware kits for \$44,646.08

Please place this item for consideration on the October 20, 2022 Board agenda.
